# Image Processing Sensitivity Analysis

Jack Cole

## 1 Introduction

What questions are we trying to answer

### 1.1 Methods

How did we try to answer them

### 1.2 Results

Present the results For example figure 1 shows  
some stuff.

[width=0.9]botALeftCol.png

Figure 1: Caption here.

### 1.3 Discussion

What conclusions can we draw, specifically:  
what was as expected, what was not as expected?
